Mopkinsville Market. HUNTING THE CAR

IT IS THE GREATEST OF ALL SPORTS IN NEWFOUNDLAND.

Great Herds Make Annual Pilgrimage Across the Island-Big Game Hunters Find It a Paradise-Government Protection.

Graceful, imposing, many-pointed, and unique in the possession of beautifully palmated brow palms, the antlers of the Newfoundand caribou are, from a decorative standpoint we must concede, without a peer in the list of sportmen's trophies.

Some there are, no doubt, who would take issue with us on this point, giving preference, perhaps, to the antlers of the moose or even to those of the wapiti; but these are

BRINGING HOME THE SPOILS.

developed specimens are still to be

The hunting of them there may be strenuous or luxuriously easy, as the taste or the limitations of the sportsman may dictate.

If he be strenuously inclined he may canoe and portage well into the intestag on his own stamping ground, as Hopkinsville. it were.

Or he may, during the annual migration, camp in close proximity to new depot. the railway, never lacking the table luxury that a dining car affords, and he may bag his game from the best that the passing herds can boast.

Here a fine caribou stag often weighs 500 lbs., and antlers with a spread of from three to four feet and with 30 to 50 well-developed points. are not uncommon.

The "barren lands" of extreme northern Canada afford no finer examples than these and the monotony of the "barrens" no less than the difficulty of access, has kept many a sportsman from adding the finest

head of them all to his collection. Some of the great hunters of the world-men like F. C. Selous, who has more lions to his gun than any living sportsman-find the hunting of the caribou in Newfoundland the most exciting and exhilarating sport. Since the buffalo was exterminated on the western plains some 30 years place where big game is so plentiful as in the oldest colony. At one spot caribou are making their great annual migration, literally thousands of head can be counted pouring across the

So exact is this great migrating movement in time and place, writes a recent observer, that hunters former ly camped by the rails, or in section houses, or ran their chartered private cars on to Howley's siding and secured their heads without walking half a mile from their china breakfast dishes. Warned probably by the fate of the buffalo in the West, however, and realizing that in the caribou Newfound!and has one of the grandest game heritages within easy reach of North American sportsmen, the government has taken measures to protect the "crossing places" and give the herds unmolested access to the milder climate of the southern interior. Three miles of country, each side of the railway, five miles each way from Howley's station, has been reserved as neutral ground and government agents patrol the district during the migrating season. Hunting again on their way north about the

month of May. To the sportsman we may say that after many hunting trips for "big Horehound Syrup for years, and game" in various parts of the United that I do not hesitate to recommend can put his finger on any piece of leg-States and Canada, we have found no it as the best cough syrup I have states and Canada, we have found no it as the best cough syrup I have ever used." 25c, 50c and \$1. A Hint to Travelers!

While in Suffolk, Va., Henry Croll, Jr., proprietor of the Beaverton, Mich., Hardware Co. was taken very sick with bowel trouble. A traveling salesman from Saginaw, Mich., advised him to get a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which he did. 'It soon cured me, and I take pleasure in recommending it," he says. No one should leave home on a long journey without a bottle of this remedy. It is almost sure to be needed and is not obtainable while on steamship or cars. Sold by L. L. Elgin and Anderson & Fowler.

the The Kind You Have Always Bought

LITTLE SKETCH OF THE RETIR-ING FRENCH EXECUTIVE,

omes of Prasant Stock and Rose to An It at of the French People.

For seven long and eventful years M. Emile Loubet has stond for France and restore the action of the in the eyes of the world. His visits to Spain and Portugal were almost the ast official acts of his career. Some time ago he inspected the army of France at the guard maneuvers, and struck the true patriotic note in his address at the banquet to the generals and their staff. According to the constitution of 1875 M. Loubet's tenure of office expires on February 18. He is sligible for re-election, but he may not

offer himself again. Like Cincinnatus, "I was and am yet afflicted with he will return to the plough. Nor is his rheumatism," says Mr. J. C. Rayne, love of homely ways surprising; he once more to attend to business. It | Loubet has never blusned for his paris the best of liniments." If troub-led with rheumatism give Pain Balm mother was well known, and he made relief which it affords. One appli- the keynote to M. Loubet's character; native commune, and here he intends to retire at the close of his official career. He will not, however, cut himself entirely adrift from Paris. He has taken a comparatively modest appartment in the immediate neighbor-Never allow a cold to take its hood of the Luxembourg. It was in the course. Too often at this season of senate, indeed, that M. Loubet passed fourteen years of his official life as senator and then as president of that edy will promptly cure your cold august assembly. If the constitution and counteract any tendency in this is altered, as is proposed, M. Loubet

M. Loubet has become the most popular of all French presidents, not exson & Fowler, up-to-date druggists cepting Felix Faure, who had a manner all his own of ingratiating himself with the Parisians. When he was Five mad dogs killed in Madison elected by the national assembly at Versailles seven years ago, he was rereived with shouts of derision by the Parisians; mud was thrown at his carringe. He had taken the world by surprise, and the world did not forgive a nervous condition and often pre- him. He was a dark horse that had vent sleep. Chamberlain's Stomach arrived unexpectedly at the winning and Liver Tablets stimulate the di- post. Then followed the shameful incident of Auteuil, in which the presiago there is left in North America no to a healthy condition and make dent was struck by a well-dressed Naionalist rowdy. That was the turning gin and Anderson & Fowler, up-to- point. The insulters had gone too far. Thenceforward the new chief of state was to gain the sympathy of the

be two presidents of the republic dur-Invaluable for Rheumatism, ing the first fortnight of February, 1906. M. Loubet's term will not have "I have been suffering for the expired, and his successor will have been appointed. The case has never arisen before during the 30 odd years of the third republic's existence. Thiers who was driven from office by a vote of the Nationalist assembly, had his successor appointed in 24 hours. Marshal MacMahon, who retired in January, 1879, was immediately replaced by M. Grevy. The last-named, it is true, Morgantown is to have electric was re-elected in 1886, but on account of a scandal which touched his family, highest aim. he did not complete his second term Sadi Carnot, who replaced him, died by the dagger of an assassin one Sunday night, ten years ago, at Lyons. Casimir-Perier's mysterious resignation, after six months of office, and M. Felix Faure's equally mysterious death. rendered impossible in both cases this curious constitutional picture of two presidents facing one another like 'chiens de faience."

M. Loubet's forte lies in his marvelmayor to president. In consequence he bassador in Paris, once told me how het is the ideal president for such a us. republic as France, where a man of great personal ambitions and of excep-"I know it, sir, but I thought I would speak to you to-day."

The old, original GROVE'S Tasteless Chill Tonic. You know what you are taking. It is from and quiernment. Avoiding the display of M. Felix Faure on the one hand, and the nine in a tasteless form. No cure, roulve been with us so far haven't Felix Faure on the one hand, and the 312 SOUTH MAIN ST. -who from his parsimonious ways was always said to have had the soul of a concierge-M. Loubet has steered the happy middle course. His native ability, shrewdness, and common-sense have stood him in excellent stead for the work of the state; and his kindliness and unfalling good-nature have endeared him to the masses.

Blind Headache

"About a year ago," writes Mrs. Mattie Allen, of 1123 Broadway, Augusta, Ga., "I suffered with blind sick headaches and backaches, and could get no relief until I tried
